List Animals You're Showing	
4-H Group	
	***If you have multiple members sharing feed on one bill, you may fill separate forms for each, and we will split the rebate between the number of children participating***
Any Additional Comments	

### About the Program...

With our new 4-H Rebate Program, we aim to give back to all of our 4-H kids. With the personal information given above, we will be able to set up an account to keep track of all feed that has been purchased within the specified dates of the program. Upon the ending date(s) of the program, we will review all transactions made on each account, and in turn give back at least a 5% rebate (depending on how well we do at end of season) on the total money spent. We still plan to attend all of our 4-H kids' livestock auctions, both to support all of our valued customers and to bid on their animals. With the rebate program, we can fairly help out each and every one of our 4-H participants. We are thrilled to be apart of and support all individuals involved with 4-H and our Rebate Program!
